23. A corporation, company or other legal entity may not become a Customer.
24. Only one individual per account may be listed in the Program under their legal name.

## **Earning Program Dollars with the Privilege Beauty Card**

31. To earn Program dollars, a Customer must purchase eligible regular-priced cosmetic or dermo-cosmetic products at an Uniprix Store using their personal valid Privilege Beauty Card, or valid Program barcode (virtual card) on their mobile device by presenting it to the cashier at the start of the transaction.
32. Program dollars are earned in segments of \$1 per dollar spent (before taxes) at an Uniprix Store on eligible regular-priced cosmetic or dermo-cosmetic products only.
33. A Customer cannot earn Program dollars with their Privilege Beauty Card and benefit from the 10% senior discount on the same transaction.

34. Program dollars earned with dollars spent will also be awarded for purchases made with a rain check. These Program dollars will be equal to those awarded on the date of the transaction.
35. No Program dollars will be awarded for prescription or over-the-counter medications (products governed under the *Pharmacy Act* and other applicable laws), purchases made at certain outside merchants who operate in participating Stores (e.g.: transit tickets and passes, lottery tickets, products offered at Canada Post counters, and calling cards), delivery fees, account payments, bottle deposits, the purchase of Uniprix gift cards, and any other product that, from time to time, Uniprix may choose to exclude from the Program.
36. No Program dollars will be awarded for purchases made via home delivery or online at [boutique.uniprix.com](http://boutique.uniprix.com).
37. Should a Customer forget to present their Privilege Beauty Card during a transaction, they can still earn Program dollars by presenting an active Privilege Beauty Card with a sales receipt attesting to the purchase of the eligible product at the Store where the transaction took place. Program dollars earned can be claimed within 30 days of purchase. Limit of three (3) transactions on the same day. To claim their earned Program dollars, the Customer must go to the cosmetics counter or see the Store manager with their sales receipt and Privilege Beauty Card.
38. The total number of Program dollars per transaction is indicated on the sales receipt.
39. Uniprix will do everything in its power to credit earned Program dollars as adequately as possible, but it is up to the Customer to retain all relevant documents, such as sales receipts on eligible Program products, that must be presented to collect unawarded Program dollars.
40. In the event of a Customer's death, their account will be closed and all Program dollars earned in their account will be cancelled. Program dollars earned with a Privilege Beauty Card are indivisible, notably in the case of divorce.

### **Redeeming Program Dollars Earned with the Privilege Beauty Card**

41. Program dollars earned can be redeemed and exchanged for discounts that can be used to pay a statement in part or in whole, before taxes (except on ineligible products; see Articles 35 and 36), in the Store where the Customer activated their Card. In accordance with Federal and Provincial tax legislation, GST, PST, HST, and any other applicable taxes are calculated and payable on the full amount of the purchase price before any reduction for redeemed Program dollars and must be paid by the Customer.
42. Program dollars are redeemable at a minimum rate of \$10 earned.
43. Only one Privilege Beauty Card per transaction can be used to pay for purchases.
44. Non-redeemed Program dollars as well as dollars earned during the current transaction, if applicable, will remain in the Customer's Uniprix account and can be used in a subsequent transaction.
45. Payment using earned Program dollars does not prohibit the Customer from earning dollars on admissible products during a transaction.

46. In the event a product is returned, the portion paid with earned Program dollars will be reimbursed with cash.
47. Uniprix cannot be held responsible for any Program dollars redeemed by any person if the Customer did not alert Uniprix beforehand that their Privilege Beauty Card was lost or stolen by informing an employee at the cosmetics counter where the Customer's Card was activated. The Customer must assume the entire responsibility of Program dollars redeemed prior to notification.
